

Vermont Motorboat Tax & Title Application Instructions

DO YOU NEED TO REGISTER YOUR MOTOTBOAT?

You must register your boat, personal watercraft/PWC (Jetski), or shuttlecraft, with a motor attached, if you own and operate it in the state of VT, on the waters of this state, unless you live out of state and your boat is already registered in your home state or your boat has a valid document issued by a federal agency (Vermont resident or non-resident).

Note: Any watercraft (shuttlecraft) which is propelled by other powered watercraft, docked or attached to it must be registered as a motorboat in addition to the personal watercraft/PWC (Jetski) being registered.

OUT OF STATE REGISTRATION:

You may operate in Vermont for a period of 90 consecutive days if your home state grants like privileges to Vermont boats or your boat has a federally issued number. However, if you use your vessel in Vermont waters for 30 days or more you must obtain a vessel validation sticker. This validation of your out of state or federal registration will be in effect through December 31 each year. Use form VD-113 (Application for Vessel Validation) instead of this form.

OPERATING A MOTORBOAT IN VERMONT:

All persons born after January 1, 1974, must have successfully completed an approved boating safety education course to legally operate any motorized vessel (this includes personal watercraft). Persons required to have completed the course must carry his or her course certificate on board when operating a motorized vessel. No one under 12 years of age may legally operate any vessel powered by a motor of more than 6 horsepower, even if the person has successfully completed a boating safety education course. No one under 16 years of age may legally operate a personal watercraft, even if the person has successfully completed a boating safety education course.
