Car/Truck Inspection Stickers

January 10, 2008

08-001

Please be aware some Car/Truck Inspection Stickers might have a defect with the bottom number when the plastic is removed.

We have done random testing of Car/Truck Inspection books and found some books contain stickers that when the plastic covering is peeled away, parts of the bottom number peel away also. We have not found where this is a problem with an entire book, only a few from each book. There are not problems with Trailer, Motorcycle or School Bus Inspection stickers.

If you discover a sticker or stickers that have this problem please mail the stickers back to the DMV Inspections Unit at the address below.

Vermont Department of Motor Vehicles
Attn: Inspections Unit
120 State Street
Montpelier, VT 05603-0001

You may contact the Department of Motor Vehicle's Inspection Unit (802-828-2094) with any questions you may have concerning Car/Truck Inspection stickers.

NOTE: Before you send in your Inspection Log Sheets you must sign the bottom of the sheet.
