## **NEW LAW EXEMPTS CERTAIN TRAILERS FROM ANNUAL SAFETY EQUIPMENT INSPECTION**

FOR IMMEDIATE RELEASE  
June 30, 2010

Montpelier: A new law that takes effect on July 1 exempts light trailers from annual safety equipment inspections.

A trailer registered for a gross weight of trailer and load of less than 1,500 pounds will not need to be inspected. However, the law requires the trailer to be equipped as originally manufactured, be in good mechanical condition, and meet the applicable standards of the inspection manual. Questions on the new law may be directed to the Enforcement and Safety Division of the Department of Motor Vehicles by phone at 828-2094.
