Burlington DMV office moving to new site

Vermont Department of Motor Vehicles Commissioner Robert Ide announced today that the Department has been successful in locating a new site in Chittenden County to replace the present DMV site on North Avenue.

The Chittenden County site will relocate to **4 Market Street** in South Burlington as soon as the Department can make the necessary arraignments.

“The DMV efforts to co-exist in an active construction site on North Avenue have become problematic for both employees and customers,” said Ide.

The DMV has been working with employees of the Department of Buildings and General Services, and through those combined efforts the new location was selected from a list of potential commercial sites in the region.

When the DMV does establish a firm date for the relocation, it will be shared with the community.
