Motorcycle Learner Permit - Original	\$17.00	Motorcycle Learner Permit - Duplicate	\$0.00

Explanation of Mental or Physical Condition (other than eyesight)	

- If the address shown on this application differs from that on your current license, this application will be considered a notice of change of address. The Department of Motor Vehicles must be notified in writing within 30 days of any change in your mailing address, legal residence or legal name.
- Applicant must hold a valid Vermont Operator, CDL or Junior Operator License to qualify for a Motorcycle Learner Permit.
- Make an appointment for an examination (802.828.2085). At the examination, 20 of the 25 questions must be answered correctly. If the written test is failed, there is a waiting period of at least one day before the exam may be taken again.
- If you are 16 or 17 years old in addition to having a valid Jr. Operator License, you MUST also have a parent or legal guardian sign the Motorcycle Learner Permit Application.
- After the permit is issued you may call to schedule an appointment for your skills test (802.828.2085). The permit is valid for 120 days from the date of issue. If the appointment is not made, or you do not feel confident to take the skills test, at the end of the 120 days, the permit may be renewed. You may renew by mail. Renewal forms are available at all Department of Motor Vehicle offices.
- A Motorcycle Learner Permit may be renewed only twice. If, during the original permit period and two renewals, you have not taken the skills test nor the motorcycle rider training course, you may not obtain another motorcycle learner permit for a period of 12 months from the expiration date of the permit unless you successfully complete the Motorcycle Rider Training Course.

The Motorcycle Learner Permit will allow you to ride a motorcycle on any public highway to become familiar with actual in traffic operation. There are certain restrictions: 1) A motorcycle may be operated during daylight hours only; 2) The Motorcycle Learner Permit-holder is not allowed to carry any passengers; 3) The motorcycle learner permit is valid in VERMONT only. Ignoring the restrictions will void the Motorcycle Learner Permit.

PLEASE NOTE: Motorcycle skill tests are NOT given during the WINTER months, from the first of NOVEMBER through the end of MARCH.

Motorcycles: 23 V.S.A. §4(18) defines what a motorcycle is. The operator of any vehicle that is considered a motorcycle must have a motorcycle endorsement on their driver's license.

3-Wheeled Motorcycles: operators of 3-wheeled motorcycles are required to take the motorcycle learner's permit examination and the motorcycle skills test. After passing the required exams, operators will receive a motorcycle endorsement (M) with a restriction limiting them to operation of 3-wheeled motorcycles only.

Motor-driven cycles (previously Scooters & Mopeds): As of September 1, 2010 a new class of vehicle has been created by the Vermont Legislature (Senate Bill 282, 2009 - 2010 Legislative Session); "Motor-driven cycle". Previously known as "Mopeds", a Motor-driven cycle means any vehicle equipped with two or three wheels and has a combustible engine that is 50ccs or less, which will propel the vehicle at a speed not to exceed 30 miles per hour on a level road surface, and which is equipped with a power drive system that functions directly or automatically only, not requiring clutching or shifting by the operator after the drive system is engaged. The operator of any vehicle that is considered a Motor-driven cycle is NOT required to have a motorcycle endorsement on their driver's license.
