- ☞ You must have a Learner's Permit for at least 1 year prior to obtaining a Jr. Operator's License.

Junior Operator License:

- ☞ Before you can obtain a Jr. Operator's License, you must complete an additional 40 hours of practice behind the wheel, with at least 10 hours being nighttime driving, while accompanied by one of the individuals indicated above, who is riding beside you. Proof of this additional practice must be submitted to DMV at the time of application for a Jr. Operator's License on this form, and certified by one of the individuals indicated above. **Note: 'Nighttime driving'** is defined as driving during the period of 30 minutes after sunset, to 30 minutes before sunrise.
- ☞ While holding a Jr. Operator's License, there are certain driving restrictions, which are as follows:
 - ♦ You may not operate a vehicle in the course of employment or carry passengers for hire for 1 year following the issuance of the Jr. Operator's License.  - ♦ During the first 3 months of operation under a Jr. Operator's License, you are restricted to driving alone, or with one of the individuals indicated above. If one of those individuals is in the vehicle with you, there is no restriction on the number of passengers you can transport; however, you cannot exceed the number of seatbelts.
 - ♦ During the second 3 months of operation under a Jr. Operator's License, you may begin transporting family members.
 - ♦ After holding a Jr. Operator's License for 6 months, there are no passenger restrictions.
