

# REGISTRATION PLATE VISIBILITY ISSUES

Is your license plate faded to the point that impairs identification?

Is your Registration Validation Sticker not properly placed or missing?

Is a license plate frame covering any part of the Registration Validation Sticker or the words “Vermont” and/or “Green Mountain State” on the plate?

If you answered “yes” to any of the questions above

## **YOU NEED TO TAKE ACTION.**

### **Any of these situations could result in a fine.**

- Faded Vermont License Plates – A new set of license plates will be issued to you at no cost. Requests for replacement of the same number (other than low numbers and vanity plates) will require a \$20 payment by the customer.
- Registration Validation Sticker Placement - Request a free replacement sticker from the DMV and affix that sticker to the correct location on your rear plate.
- Obstructed Registration Plates – License plate frames obstruct the view of the registration validation sticker or the words “Vermont” or “Green Mountain State.” These must be removed from your vehicle.
