

A red Vespa scooter is the central focus of the image, parked on a dark asphalt street. The scooter is shown from a front-three-quarter view, highlighting its iconic design with a large round headlight, a smaller front fairing light, and a rearview mirror. The Vespa logo is visible on the front panel. In the background, a white SUV and other vehicles are parked, and a person is partially visible. The overall scene is outdoors during the day.

Frequently asked questions

What is the Vermont Rider Education Program Scooter Basic RiderCourse?

The Scooter Basic RiderCourse is for those individuals that have made the decision to ride a scooter. This course, containing a combination of riding exercises and classroom time, teaches the basic skills needed to operate a scooter in traffic. Students successfully completing this course will be exempt from taking the state required motorcycle written test and skill exam.

A motorcycle endorsement is required to operate a scooter in Vermont.

Why should I take the Scooter Basic RiderCourse?

The course will teach you to become a safe and responsible scooter driver. Successful completion of the course enables you to obtain your motorcycle endorsement without further testing. You may also be eligible for a discount on your insurance.

What are the requirements to enroll in a Vermont Rider Education Program SBRC course?

Scooter Basic RiderCourse students are required to have a valid driver's license.

How much does the Scooter Basic RiderCourse cost?

\$175.00

Do I have to enroll in a course or do I just show up on a scheduled date?

It is best to enroll in a Vermont Rider Education Program course to be guaranteed an opening in the course you wish to attend. Courses fill quickly and once full additional students cannot be added to the course.

You can show up for a scheduled course and attempt to attend on a standby basis. Standbys are added to a course only when there is an available opening and are taken on a first come first served basis. Openings may be available if a course does not have the maximum number of allowed students scheduled to attend or if a scheduled student fails to show for a course.

How do I enroll in a Vermont Rider Education Program course?

Call 800-529-2535 or 802-828-2913 to have course schedules and registration information mailed to you.

Do I need a scooter to take the Basic RiderCourse?

Scooters are provided for students taking an SBRC.

Can I use my own scooter when taking the Scooter Basic RiderCourse?

You must use a program scooter when participating in an SBRC. If you wish to take a scooter-training course using your own scooter please enroll in an Experienced Rider Skills Plus or Experienced Rider License Waiver Course.

Am I required to have my own helmet to take the Scooter Basic RiderCourse?

Helmets are provided to students needing one for all Vermont Rider Education Program courses.

Can I use my own helmet?

Yes, helmets meeting Department of Transportation (DOT) standards for motorcycle helmets can be used during a course. A motorcycle helmet meeting these requirements will have a DOT sticker on it.

What equipment do I need to bring with me when I take the Scooter Basic RiderCourse?

You will be required to bring the following riding gear; over the ankle footwear (not canvass); long sturdy pants; long sleeved shirt or jacket; full fingered gloves; protective eye wear.

Are classes conducted in inclement weather?

Yes, Vermont Rider Education Program courses are held as scheduled during inclement weather, unless the program determines the conditions are not safe for the participants.

I am under 18 years of age. Can I enroll in a course?

Yes, as long as you have a valid driver's license. Students under the age of 18 will be required to have a parent/guardian sign a course waiver form at the beginning of the course.

Do I need a scooter/motorcycle permit to take a Scooter Basic RiderCourse?

Students enrolling in a Scooter Basic RiderCourse are not required to have a scooter/motorcycle permit.

I have a scooter/motorcycle permit. Will I be required to pass the Scooter Basic RiderCourse written test to pass the course?

Yes, the Vermont Rider Education Program and the Motorcycle Safety Foundation require students to pass the Scooter Basic RiderCourse written and skill tests to successfully complete the course.

After successfully completing the Scooter Basic RiderCourse how do I get the motorcycle endorsement added to my license?

Pre-enrolled students that successfully complete the course and have a valid Vermont driver's license will have the motorcycle endorsement added to their license at the end of the course.

Students added to the course on a standby basis will have a completion card mailed to them in about 10 days. The completion card must then be taken to a Department of Motor Vehicles office to have the motorcycle endorsement added.
