

compliance, has not been received. It will give the Carrier/Operator an additional 15 days to return the report certifying compliance.

~~IV. Compliance Enforcement (Vermont Registered Vehicles):~~

~~If the Motor Carrier/Operator does not respond to the written notification as outlined above within 30 days from the date of the original inspection, the Agency's Commercial Vehicle Enforcement Unit will submit a request to the Commissioner of Motor Vehicles asking that the Motor Carriers registration(s) be suspended indefinitely until compliance is manifested. The Secretary, or his/her authorized representative, may then demand the carrier or operator provide documentation of repair in such form as may be prescribed by the Department and an officer may also then re-inspect the vehicle(s) in question to determine if:~~

~~(1) Actual compliance has or has not been made; and~~

~~(2) Whether or not a Uniform Traffic Ticket and/or Vermont Traffic Complaint should be issued for noncompliance.~~

~~IV. Compliance Enforcement (Foreign Registered Vehicles):~~

If the Motor Carrier/Operator does not respond to the written notification as outlined in paragraph III within 30 days from the date of the original inspection, the Agency's Commercial Vehicle Enforcement Unit will submit a request to the Commissioner of Motor Vehicles asking that the Motor Carrier's or operator's privilege to operate in Vermont be suspended indefinitely until compliance is manifested. The Secretary, or the Secretary's authorized representative, may then demand the carrier or operator provide documentation of repair in such form as may be prescribed by the Department and an officer may also then re-inspect the vehicle(s) in question to determine if:

(1) Actual compliance has/has not been made, and

(2) Whether or not a Uniform Traffic Ticket and/or Vermont Traffic complaint should be issued for noncompliance.

~~V. Reinspection Report (Vermont):~~

~~After completing the reinspection, the Inspector will submit a new Driver/Vehicle Examination Report noting whether or not the original violation(s) still exist. This follow up report will be attached to the original in a closed file if the original violations have been corrected, and a written report will be forwarded to the Commissioner to reinstate the vehicle registration. Should the follow up report reveal noncompliance, the original and follow up reports will be placed in a pending file for further action.~~

~~VI.V. Suspension Authority:~~

The authority to make such suspension by the Commissioner is contained in Title 23 V.S.A. § 308(a)(2), (3).
