BOND REQUIREMENTS

Rental companies must submit a surety bond with their Rental Company License Application when their yearly tax liability exceeds $5,000.00. New Rental Companies will be required to submit a surety bond of $1,000.00 with their original application. The bond MUST contain all applicable signatures. Erasures will automatically void the bond.

The amount of the surety bond will be reviewed annually. The bond amount will be determined by using the total of the two highest months of liability in the preceding year, but in no case shall it exceed $400,000.00. The bond amount shall be increased whenever the Commissioner deems it necessary to protect the state’s revenues.

If required, Rental Companies must submit a current bond application annually. In place of a bond, Letters of Credit will be accepted and must be accompanied by a current financial statement.
