CHECK ONE:

- Vehicle meets the requirements of the Vermont Inspection Manual
- Vehicle **does not** meet the requirements of the VT Inspection Manual

If Vehicle FAILED Inspection List Reasons Below:

TO APPLICANT:

If you have an off-road motorcycle that you want to convert for on road use it must undergo a Vermont State Safety Inspection prior to being registered and/or titled in this State. You must provide valid registration and proof of insurance before the inspection can be administered. This form must be completed by a licensed Vermont inspection mechanic. Out of state inspections are not acceptable. If you need to apply for a temporary registration for purposes of inspection, you may do so online at mydmv.vermont.gov provided the paperwork will be submitted to the Vermont DMV within 24 hours.

TO VERMONT INSPECTION MECHANIC / STATION:

The individual who has presented this form is applying to register an off-road motorcycle that has been converted for road use. Prior to permanent Vermont registration and/or title, it must be assured that it meets all safety requirements outlined in the Vermont Periodic Inspection Manual.
